

Policy BAA
Evaluation of School Board/Board Self-Evaluation
School Board Approved: April 4, 2016

At the conclusion of each year, the board shall reflect on the degree to which its goals and objectives have been accomplished by conducting a board self-evaluation. The board self-evaluation shall address performance in the key functions of School Boards: vision, structure, accountability and advocacy. The results of the self-evaluation shall be used in setting goals for the subsequent year, including board development activities where needed.

The Board shall make every effort to complete the self-evaluation by June 30 each school year.
