

Policy Review, Revision, and Repeal
School Board Approved: May 2, 2016

In an effort to keep its written policies up-to-date so that they may be used consistently as a basis for Board action and administrative decision, the Board will review its policies on a continuing basis. The Board may repeal any policy upon a majority vote of the Board.

The Board will evaluate how the policies have been executed by the school staff and weigh the results. It will rely on the school staff, students, and the community for providing evidence of the effect of the policies which it has adopted.

The Superintendent is given the continuing responsibility of calling to the Board's attention all policies that are out of date or appear to need revision for other reasons.
