

The superintendent ensures the compilation of a school district annual report covering the diversified activities of the District and the administration's recommendations for its improvement. The report shall be reviewed by the Board Chair. The report shall be made available to the public and used as one means for informing parents and citizens, the State Board of Education, and other school districts in the area of the programs and conditions of the Schools.

The annual report shall include all information as required by RSA 193-E: 3, and other applicable state laws.
