

JAFFREY-RINDGE
COOPERATIVE SCHOOLS DISTRICT

School Board Policy Manual: DJD

Cooperative Purchasing

School Board Approved: October 3, 2005

The Board, at its option, may join in cooperative purchasing with other school districts or governmental agencies to take advantage of lower prices for bulk purchasing and to reduce the administrative costs involved in bidding.

The Superintendent is directed to contact nearby superintendents or governmental officials from time to time to assess whether such an arrangement is feasible and appropriate.
