

Students using District transportation must understand that they are under the jurisdiction of the school from the time they arrive at the bus stop, until they exit the bus stop.

Students transported in a school bus shall be under the authority of the District and the bus driver. Continued disorderly conduct or persistent refusal to comply with the bus rules and regulations shall be sufficient reasons for a student to be denied the privilege of transportation.

The driver of the bus shall be held responsible for the orderly conduct of the pupils transported.

The Superintendent or his/her designee will develop rules and regulations for conduct on buses and these shall be printed in the Parent-Student Handbook.
