

The Board may adopt policies pertaining to early graduation for individual students. Such policies shall require parental involvement for students under the age of 18. The High School Principal shall approve such requests if he/she determines that all state and local graduation requirements will be met and that early graduation be related to career and/or educational plans of the student making said request. Upon approval by the High School Principal, the minimum 4-unit requirement per year for enrolled students shall be waived and the student shall be awarded a high school diploma.
