

Policy JICA
Student Dress Code
School Board Approved: June 6, 2005

JAFFREY-RINDGE
COOPERATIVE SCHOOL DISTRICT

The responsibility for the appearance of the students rests with the parents and the students themselves.

Parents have the right to determine each student's dress, providing that such attire complies with the health code of the State of New Hampshire, and does not interfere nor disrupt the educational process of the school.

Building principals are authorized to issue regulations to implement this policy, if the Superintendent approves such regulations.
